AMENDMENT

Assistant Commissioner for Patents  
Washington DC 20231

Sir:

Please amend the above identified application as follows, and consider the remarks set forth below:

In the specification:

Page 1, line 4: Please delete the paragraph beginning "The present application ..." and substitute therefore the following paragraph:

B1  
--The present application is related to, and discloses subject matter common to commonly assigned, co-pending applications serial number: 09/280, 527 and 09/280,529, (atty. docket E - 837, E-838) filed on even date herewith.--

Page 3, line 13: Please delete the paragraph beginning "In U.S. application ..." and substitute therefore the following paragraph:

B2  
--In U.S. patent no.: 5,878,136; to: Kim et al.; filed Oct. 8, 1993, issued: March 2, 1999, a key control system comprising generation of a first set of master keys and assigning the keys to a corresponding plurality of postage meters is taught. Keys may be changed by entry of a second key via encryption with a first key.--

Page 3, line 18: Please delete the paragraph beginning " In U.S. application ..." and substitute therefore the following paragraph:

B
